- **Color Temperatures:** 2700K (Warm) to 5000K (Daylight).
- **Certifications:** Energy Star Rated (LED models), UL Listed.

---

## What Our Customers Are Saying

**"The EcoBright LEDs changed my utility bill immediately. I replaced the whole house and saw a 15% drop in my monthly energy costs. Plus, the light is much softer than old LEDs."**

— *Sarah J., Homeowner*

**"We use the Vintage Glow bulbs in our restaurant. They provide that perfect 'mood' lighting that customers love, and the price point for bulk orders is unbeatable."**

— *Marcello R., Bistro Owner*

**"The SmartSpectrum bulbs were surprisingly easy to set up. I have them synced to my morning alarm to fade in like a sunrise."**

— *Kevin L., Tech Enthusiast*

---
